No one else offers you the opportunity to invest in your business **AND** your community. We want **YOU** as a member. Whether you are a current Chamber member, a past member, a new business, or considering joining for the first time, your membership helps maintain a strong and vibrant business community. The Chamber of Commerce is a group of business men and women networking to support one another and to promote the Sauk Prairie area. Through a variety of committees, we offer our support to the villages and towns, the school district and service groups while providing market exposure and networking opportunities to members. The organization has experienced over 180% growth in the past five years and expanded its scope of services.

Please look over the enclosed carbonless two-page form carefully. Section 1 is your membership investment, determined by the number of full time employees your business has. Section 2 contains promotional and advertising opportunities your Chamber offers exclusively to its members. The bottom portion is for you to give us information about your business. An accurate email will keep you connected with *Chamber Updates* and links to *Chamber News*. This is how we pass along member and community information as well as important messages from the police, sheriff, and fire departments.

The Sauk Prairie Area Chamber of Commerce Board of Directors would like to thank all 187 of our 2007 members, another record number, for their support and commitment in keeping the economy of Sauk Prairie strong. We look forward to an outstanding 2008 with you. We hope you will invest in the future of the Sauk Prairie area and join the Sauk Prairie Area Chamber of Commerce for 2008.

Thank you for your support and consideration,

Leslie Bruner
Executive Director
